

AUTHENTICATING YOUR LAMBRETTA SCOOTER

To assist you to make your way through this process, the club have the following guidelines. These are guidelines only – should you have any problems with the registration of your pride and joy then contact me (see below).

AUTHENTICATION OF A SCOOTER, WHICH HAS NO REGISTRATION OR LOG BOOK:

- Take a rubbing of the prefix (the bit before the frame number) and the frame number.
- Write down the engine number.
- Send both of the above to me, with a cheque or postal order for the correct amount and I will send you your letter of authenticity and a letter explaining what to do next back to you as soon as possible.

AUTHENTICATION OF A SCOOTER WITH A REGISTRATION NUMBER (BUT NO V5):

You will first need to prove entitlement to the registration number on your scooter. Contact DVLA and ask if they have any record of your scooter. Once you have done this you will need to do the following.

1. Take two photographs/images of the scooter complete (side and rear views).
2. Take a rubbing of the frame number and write down the engine number.
3. Photocopy the log book (do not send the original).
4. Obtain a form V765/5 (also from your Vehicle Registration Office) and complete the relevant sections.
5. Obtain form V55/5 (also available from the VRO) – complete this form.

Send all of the above to me, along with the appropriate fee (see below) and I will complete the letter of authentication and the clubs section of the form V765, and return it to you. You will then need to take or send these to your local DVLA office. Once DVLA have completed their paperwork they will inform you whether you have been successful or not in the keeping the registration number.

AUTHENTICATION FEES

The cost of an authentication letter (as of **October 2009**) is as follows: **£10.00** for LCGB members and **£15.00** for non-LCGB members (if you are joining at the same time we will charge you only members rate)
